Biography

- Chris Lewis Carter is an award-winning screenwriter and author who has been featured in dozens of publications, ranging from high school Language Arts textbooks to Stoker-nominated fiction collections. His horror short film, House Hunting, was named an Official Selection at both the 2015 Hollyshorts and Sunscreen Film Festivals.

Feature Film

- Unboxing (Spec - Horror)

Logline: After signing up for Creepy Crate, a monthly horror-themed subscription box, a troubled teen believes she is being haunted.

- Archon (Spec - Thriller)

Logline: Reborn on Earth and abandoned by God, Michael the Archangel's new life as a disillusioned New York City police detective becomes unravelled while investigating the victim of a Satanic sacrifice.

- House Hunting (Spec - Horror)

Logline: A group of teens who enjoy "House Hunting" – the viral trend of sneaking inside a stranger's home and secretly recording their mundane activities – inadvertently become the accomplices of a killer.

- Total Party Kill (Spec - Horror / Dark Comedy)

Logline: Four friends who share a love of tabletop role-playing are forced to participate in a sinister game where each roll of the dice has real-world consequences for the players.

Short Film

- House Hunting (Horror)

Logline: A young woman is targeted by the participant of a viral craze called House Hunting – the act of sneaking inside a person's home and secretly recording their mundane activities.

- Emoji (Horror)

Logline: A texting-obsessed teen becomes stalked by a vengeful spirit that is able to communicate with her via emoji symbols.

Television

- Horsemen – Pilot (Spec - Teen Supernatural)

Logline: When four incompatible teenaged siblings become the new Horsemen of the Apocalypse, they're forced to confront a league of avenging angels and their own fragile family dynamic.
